Sasha The Artist Studio offers creative experience for visitors looking to enhance their stay in St. Kitts and Nevis! By partnering with Sasha The Artist Studio and ensuring that every visitor has the opportunity to partake in our experiences, your guests can create lasting memories of their local island vacation. As a partnership, we both can provide unparalleled experiences that showcase the rich culture and beauty of our island, leaving a positive and lasting impression on all our guests.

PAINT & SIP WITH SASHA THE ARTIST

Paint & Sip with Sasha The Artist takes place on the historic property of the oldest and best example of a Great House on the island. Here, participants, including families, friends, and corporate teams, can engage in a one-of-a-kind experience, sipping wine and creating their very own souvenir - a painting inspired by the beauty of our beloved Federation.

In 2023, Paint & Sip with Sasha The Artist welcomed visitors from various locations, including Park Hyatt St. Kitts stay-over guests and Explora Journey cruise ship visitors from Canada, Florida, Kentucky, Las Vegas, New Jersey, New York, Seattle, Ohio, Tennessee, Washington, and Scotland. Notably, the event was recognized as one of St. Kitts' top five island highlights by the British Airways Executive Club E-Zine.
